List last updated June 2022

This list contains active supplier sites providing Asda branded or exclusive products as of the time of publication. This data is based on self-declared information disclosed by our suppliers on Sedex and Asda/IPL internal management systems. Where 'data is not available', the information has not yet been disclosed to us through these platforms. If a supplier has confirmed they do not want their information to be included, we have removed any reference to their facilities in this list. Whilst we make every effort to ensure published information is accurate, we acknowledge that with any large dataset errors can occur.

We will review and update this information on an annual basis.
