

GH Dressing Table

Assembly Guide

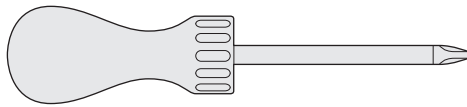

WARNINGS:

• IMPORTANT! READ CAREFULLY AND KEEP FOR FUTURE REFERENCE.

- **Choking hazard:** Unassembled parts may be a choking hazard to children 3 years and younger.
- The hardware contains small screws with sharp points. Keep unassembled parts out of the reach of small children due to possible risk of injury. **Adult assembly required.**
- Please check the assembly of the toy regularly and frequently tighten the bolts. Do not over tighten. If regular maintenance is not carried out the product may cease to function properly.
- Do not allow children to sit, stand, play or climb on the top surface. Failure to do so may cause the product to become unstable.
- Your toy is only meant to be assembled once.
- After you have assembled your toy do not dismantle it again as this may weaken the joints and screws leaving the toy unsafe for use.
- Use the toy on a flat level surface only. It is not suitable for outdoor use. The coatings will become scratched and product damage may occur.
- Please do not use the seating if any part is broken, damaged or missing and use only spare parts approved by the manufacturer.
- Dresser - Max load 30 kg. Stool - Max child weight 30 kg.
- DO NOT place this product near a window as it can be used as a step by the child and cause the child to fall out of the window.
- DO NOT place this product near a window where cords from blinds or curtains could strangle a child.
- Be aware of the risk of open fires and other sources of strong heat in the vicinity of the product.

You will need...

A Philip's / Cross-head screwdriver for fittings supplied.
